OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE GOVERNOR OF MADRAS.

Admission to the Prince of Wales's Royal Indian Military College, Dehra Dun.

Dated, Government House, Madras, the 2nd March 1940.

No. 5.

(1) In connexion with the admission of candidates to the Prince of Wales's Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates:—

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of these services their profession in life. The course of study at the College will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India.

(b) Indian States.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 1st August 1940.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees of students are Rs. 1,500 for each school year. This is a privileged rate and is liable to enhancement hereafter, if circumstances require. Any enhancement of fees that may hereafter be decided upon will, however, be applied to new entrants only. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind and, as initial provision, one suit of the uniform to be worn by students when at the college. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as the cost of books and stationery (which will be supplied by the college) over and above the Government grant for this purpose will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, on his entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid.

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing sisters for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the term from which the cadet is to be withdrawn, the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs. 500 per annum to any one cadet and are granted for a year at a time, after which they are reviewed.

(7) Parents or guardians of candidates for admission to the college, at the time of the submission of the applications, will furnish signed declarations (in duplicate) on the following form:—

"I, _____ father / guardian of _____, a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my son / ward should make the Indian Army, Air Force or Royal Indian Navy his profession in life.

I further declare that I have made myself acquainted with the fees payable at the Prince of Wales's Royal Indian Military College, and subsequently, at the Indian Military Academy, Dehra Dun (viz., Rs. 3,850 for a course of 2½ years); and at the Royal Air Force College, Cranwell (viz., £230–8 for a course of 2 years), and expenditure to be incurred in connexion with the training of cadets for appointment as commissioned officers of the Royal Indian Navy (viz., £250 in the case of the Executive Branch and £475 for the Engineer Branch), and that I am able and willing to pay the prescribed fees and meet the expenditure in the case of the Royal Indian Navy, as also the incidental expenses.

I declare also that—

(a) if my son / ward withdraws from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy,

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession, *for reasons within his control or mine* (on which points final decision will rest with the Government of India), I shall be required to pay the full cost (Rs. 2,700 per annum) which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my son / ward is unmarried and that he will remain a bachelor whilst at the college and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy

Indian Church (India) Statutory Rules, 1940.

Fort St. George, April 2, 1940.

No. 51.

The following notification of the Government of India is republished :—

DEFENCE DEPARTMENT.

New Delhi, the 9th March 1940.

PART B.

Ecclesiastical.

No. 304.—In exercise of the powers conferred by section 5 of the Indian Church Act, 1927 (17 and 18 Geo 5, Ch. 40), and in supersession of the Indian Church Statutory Rules, 1929, on their appeal on to India, the Governor-General of India in Council with the sanction of the Secretary of State for India and with the concurrence of the Bishop of Calcutta, is pleased to make the following rules.—

THE INDIAN CHURCH (INDIA) STATUTORY RULES.

1. These rules may be called the Indian Church (India) Statutory Rules, 1940.

CHAPLAINS.

2. No Chaplain shall minister in any Maintained Church in any diocese in India unless he has obtained and holds a licence to officiate (hereinafter called a licence) from the Bishop of the diocese concerned. Every such Chaplain as a condition of obtaining such licence shall make the declarations required to be made by the Canons of the Indian

Church before a licence is granted. Such licence when requested shall not be withheld except on account of the Chaplain's refusal to make any of the said declarations or for reasons for which under the law for the time being in force in England a Bishop of the Church of England may refuse to institute or admit a clergyman presented to a benefice in England other than reasons concerning the transfer of the right of patronage and any reasons named in the English Law in force at the time which may be declared by the Governor-General with the concurrence of the Bishop of Calcutta to be inapplicable in India. If any Bishop of the Indian Church withholds a licence for which request is made by a Chaplain either on first appointment as Chaplain or on transfer from one diocese to another, the Chaplain may appeal either to the Bishop of Calcutta or, if the Bishop of Calcutta is the Bishop who has withheld the licence, to the Bishop of Madras or the Bishop of Bombay, whichever is senior by consecration, and the decision on the appeal shall be final. If any such appeal is allowed, the Bishop who has withheld the licence shall thereupon grant it. Provided that a Chaplain working in India at the date of severance and holding a licence from the Bishop of his diocese shall not be required to obtain a new licence unless and until he is transferred to another diocese, and if he is transferred to another diocese, he shall be allowed to make the declarations which were required before the date of severance instead of the declarations required to be made by the Canons of the Indian Church if he have a conscientious objection to anything contained in the latter.

3. Every Chaplain shall be under the episcopal supervision of the Bishop whose licence he holds, and his successors.

4. No Chaplain shall undertake any work other than that of ministering to His Majesty's troops and the servants of the Crown and their families if either the Bishop or the Governor-General objects to his undertaking such work.

5. Subject to the provisions of rule 6, no Chaplain shall officiate as a minister of the Indian Church except in so far as he may be authorized so to officiate in accordance with the rules for the time being of the Indian Church, nor shall any Chaplain administer or perform any sacrament, rite, ceremony, solemnization of marriage, service or religious ministration of any kind purporting to be a sacrament, rite, ceremony, solemnization, service or religious ministration of the Indian Church except in conformity with the rules for the time being of that Church.

6. Every Chaplain shall have the right to use the services contained in any Book of Common Prayer from time to time authorized by law in England when ministering in a Maintained Church or elsewhere to a congregation which includes members of the Church of England temporarily resident in India and which worships in the English language and no Chaplain shall, by reason of exercising this right, notwithstanding anything in the Constitution, Canons or Rules of the Indian Church, be liable to any ecclesiastical penalty, censure or disability whatsoever, nor shall any authority of the Indian Church hinder any Chaplain in the exercise of such right.

7. Subject to the provisions of rule 2, Chaplains shall be posted by such person or persons as the Governor-General after consultation with the Bishop of Calcutta shall appoint.

8. The Governor-General shall facilitate the attendance of Chaplains at Diocesan Councils when summoned by the Bishops.

9. Before commencing proceedings or allowing proceedings to be commenced against any Chaplain, before any Ecclesiastical Court, the Diocesan Bishop concerned shall notify the Governor-General through the Bishop of Calcutta of his intention so to do, and shall give the fullest consideration to any representation on the subject that may within four weeks of such notification be made to him by the Governor-General.

10. Before withdrawing the licence of any Chaplain the Diocesan Bishop concerned shall communicate in confidence in such way as he thinks fit with the Governor-General.

MAINTAINED CHURCHES.

11. The Churches entered for the time being in the Second Schedule to the Indian Church Act shall be maintained and repaired at Government expense, provided that nothing in this rule shall impose any liability on Government to repair any Church which before the passing of the Act such Church was not repaired at Government expense.

12. The Governor-General may remove any Church from the list contained in the Second Schedule to the Indian Church Act by agreement with the Bishop of Calcutta or by 12 months' notice expiring with the end of a financial year, provided that such notice shall not be given unless he has notified his intention to do so to the Bishop of Calcutta and allowed him a reasonable opportunity of showing cause against such removal.

13. The Governor-General may with the concurrence of the Bishop of Calcutta add any Church to the list, transfer any Church from Part I of the list to Part II thereof or *vice versa*, or from the subdivision 'A—Military Churches' of Part I to the subdivision 'B—Civil Churches' thereof or *vice versa*, or replace on the list any Church which has been removed in accordance with rule 12, and such addition or replacement shall take effect from the beginning of a financial year.

14. The Governor-General shall, before the end of March in each year, send to the Bishop of Calcutta a correct list of Maintained Churches for the ensuing financial year.

15. If the Governor-General removes a Church from the list for the time being of Maintained Churches, such Church if at that time vested in the Crown shall vest in the Indian Church Trustees, provided that if the Governor-General shall so require, the Indian Church Trustees shall hold it upon the trusts following, namely:—

(1) Upon trust to permit the services of the Church of England as contained in any Book of Common Prayer from time to time authorized by law in England or any of them to be performed in that Church for any congregation which includes members of the Church of England domiciled in the British Isles (*a*) if a majority of the members of the congregation so domiciled or a majority of the members of the congregation worshipping in that Church in the English language desire such services, and (*b*) it and so long as the congregation is willing to contribute an equitable sum to be determined by the Bishop of the Diocese towards the cost of such services and towards the maintenance and repair of the Church;

(2) Upon trust to arrange for such services to be held at such times as are convenient to the congregation

Provided further that if during a period of seven consecutive years, which period may include any period previous to the date of severance, no service has been held in any such Church, such Church shall be held freed and absolved from the trusts (if any) above specified.

16. Subject to the provisions of these rules the Chaplains from time to time entered in the list of Maintained Churches shall be available for the services of the Church of England as contained in any Book of Common Prayer from time to time authorized by law in England.

17. The services mentioned in rule 16, when performed in a Maintained Church, shall be performed in such manner and according to such rules and by such persons as may be agreed as being in accordance with the practice of the Church of England by the Governor-General and the Bishop of Calcutta, or, failing agreement, as may be determined by the Archbishop of Canterbury.

18. Subject to the provisions of rule 16 and 22, a form of service or a form of part of a service authorized in India, whether authorized by law in England or not, may be used in a Maintained Church, if the Chaplain or Minister in charge of that Church and the Church Committee desire it.

19. (1) Forms of service authorized by the Bishop of Calcutta or the Bishop of the Diocese either (i) for special occasions at the request or with the consent of the Governor-General or the Governor of the Province or (ii) for troops at the request

of the Commander-in-Chief in India, may be used in Maintained Churches either in addition to the Church of England services or in substitution therefor.

(2) Special Collects or Prayers for occasions or subjects peculiar to India may, on the appropriate occasions, be either substituted for prayers in the Church of England services or be added to those services.

20. Subject to the provisions of Rule 19, no service or part of a service which is not either contained in any Book of Common Prayer from time to time authorized by law in England or authorized by the Indian Church shall be used in a consecrated Maintained Church except when the Church is lent to some other Church or denomination.

21. No sacrament, rite, ceremony, solemnization of marriage, service or religious ministration of any kind purporting to be a sacrament, rite, ceremony, solemnization, service or religious ministration of the Indian Church shall be administered or performed in any Maintained Church except in conformity with the rules for the time being of the Indian Church.

22. The services of the Church of England shall, in every Maintained Church, have the first claim to the hours of service on every Sunday and Holy Day, and the times at which they shall be held shall be those most convenient to the congregation attending the Church of England services which are conducted in the English language in that Church. The hours shall be fixed by the Chaplain or Minister in Charge in consultation with the Church Committee, and, in the case of services for troops, the Officer commanding the station.

23. No congregation which at the date of severance had a customary right to worship in a Maintained Church shall be prevented from so doing.

24. The practice or practices followed by the Church of England in India with regard to the marriage of persons in Churches during the 20 years preceding the date of severance, including those relating to the marriage in Church of divorced persons and to marriages between persons within the prohibited degrees, shall continue to be followed in Maintained Churches unless and until they are modified by the Indian Church, but no person whose domicile is outside India shall be debarred by any rule made by the Indian Church from being married in a Maintained Church who would have been entitled to be married in such Church in accordance with the practices followed before the date of severance.

25. The arrangements made for the lease of Churches which have been consecrated for the use of the Church of England which are in force at the date of severance shall be carried out by the Church in India unless varied by mutual consent of the Governor-General and the Bishop of Calcutta.

Episcopal Supervision and Ministrations.

26. The Indian Church shall provide episcopal supervision for Chaplains and episcopal ministrations for the congregations worshipping in Maintained Churches, and the Governor-General shall make such grants as he may think fit to the Church in consideration of such episcopal supervision and ministrations.

Alteration of Rules.

27. If the Bishop of Calcutta refuses to consent to an alteration of these rules proposed by the Governor-General, with the sanction of the Secretary of State, as regards the episcopal supervision of Chaplains ministering to troops, the Governor-General may, if he thinks fit, require the matter in dispute to be referred to arbitration of the Archbishop of Canterbury, or if he be unwilling to act, some person appointed by him, or, if he fails to make such appointment, a person appointed by the Governor-General and the Bishop of Calcutta, and in the case of such reference the decision of the arbitrator shall be final.

Breaches of the Rules.

28. If it shall appear to the Governor-General that any officer of the Indian Church has committed a breach of these rules, he shall bring the matter to the notice of the Bishop of Calcutta, who shall take such steps as he thinks fit to ensure their observance.

29. (i) If after bringing alleged breaches of these rules to the notice of the Bishop of Calcutta, the Governor-General shall be of opinion that such breaches continue to be committed whether with the knowledge of the authorities of the Indian Church or through their default or neglect, or otherwise, or (ii) if he shall be of opinion that the Indian Church is so administered that the general intention of these rules is frustrated, and if, in neither case, the Bishop of Calcutta differs from the opinion of the Governor-General, the matter or matters in question shall with the sanction of the Secretary of State, be referred to arbitration in the manner provided by Rule 27, and the decision of the arbitrator shall be final.

30. If the arbitrator shall find that a breach of these rules has been and is being committed or that the Indian Church is so administered that the general intention of these rules is frustrated, and that the default is such as to justify the Secretary of State in taking action as specified in this rule, then the Secretary of State may if he thinks fit call upon the Indian Church by its representative the Bishop of Calcutta to carry out any suggestions of the arbitrator for remedying such default and on the refusal or failure of the Indian Church to carry out such suggestions or without so calling on the Indian Church may declare that in all or any of the churches entered at the date of the declaration in Part I of the Second Schedule to the Act the ecclesiastical law of the Church of England to such extent as the Archbishop of Canterbury may direct shall be observed and followed, and in such case the Governor-General may, with the sanction of the Secretary of State, and the concurrence of the Archbishop of Canterbury, amend or cancel rules made on any matter specified in paragraphs (vi), (vii), (viii), (ix) and (xii) of section 5 of the Act, and/or make new rules in substitution therefor, or in amplification or modification thereof, and the Secretary of State may, at any time, after making the abovementioned declaration further declare that all or any of the said churches shall, at the expiration of twelve months from the date of his declaration, vest in the Crown or in such person or persons as he may appoint for an absolute estate in possession, and such of them as are duly consecrated shall be held in trust for the purpose of ministrations in accordance with the rites of the Church of England, and shall be freed from any claim by the Indian Church or officials or members thereof.

If the Secretary of State shall make the first abovementioned declaration without making the second declaration and the Archbishop of Canterbury shall declare his assent thereto, the Secretary of State may require the Indian Church to provide episcopal ministrations for the churches specified in the said declaration and episcopal supervision of chaplains serving therein, and the Indian Church shall provide such episcopal ministrations and supervision so long as the Chaplains concerned hold licences from Bishops of the Indian Church and the congregations of the said churches remain congregations of the Indian Church. If the Secretary of State make the second abovementioned declaration no obligation shall rest on any Bishop of the Indian Church to give episcopal supervision or ministrations in churches to which the second declaration shall apply.

Special notice by the Governor-General to determine certain Provisions.

31. The Governor-General, with the sanction of the Secretary of State, may at any time give five years' notice to the Bishop of Calcutta that he intends to make either or both of the declarations mentioned in Rule 30 so far as concerns the churches included at the date of the declaration in Part I (A) of the Second Schedule to the Act, provided always that such churches shall vest in the manner and on the conditions prescribed in Rule 30 forthwith on the making of the said declaration, and not on the expiration of twelve months from the date thereof, and the declaration shall be modified accordingly.

INTERPRETATION OF THE EXPRESSIONS "CHURCH COMMITTEE" AND "GOVERNOR-GENERAL."

32 The expression "Church Committee" means, in the case of any Maintained Church served by a Chaplain, the Church Committee as constituted by the rules of Government before the date of severance or as constituted by rules made by the Governor-General with the concurrence of the Bishop of Calcutta after the date of severance, and in the case of any Maintained Church not served by a Chaplain, the Church Committee as constituted by rules made with the approval of the Governor-General by the General Council of the Indian Church or, failing such rules, by the Diocesan Council of the diocese concerned

Prescription of detailed syllabus, etc., relating to the examinations for the grant of certificates of competency for engine drivers, etc.

Fort St. George, March 29, 1940
[G.O. Ms. No. 603, P.W. (General)].

No. 34.

In G.O. No. 19, P.W., dated 5th January 1938, the rules relating to the examinations for the grant of certificates of competency for engine drivers,

headworks (water-works) fitters, etc., were revised and the conduct of these examinations was transferred from the control of the Sanitary Engineer to the Commissioner for Government Examinations. The Commissioner has made the following proposals in respect of the following questions connected with these examinations.—

(1) Prescription of detailed syllabuses;
(2) remuneration to examiners; and
(3) amendments to the rules issued in G.O. No. 10, P.W., dated 5th January 1938.

The Government have carefully considered the above proposals and are pleased to pass the following orders.

2 *Prescription of detailed syllabuses.*—The Commissioner's proposal to print and put on sale the detailed syllabuses submitted with his letter read above is approved.

3. *Remuneration to examiners.*—Rule 2 of Annexures I and II of G.O. No. 10, P.W., dated 5th January 1938, lays down that the examiners shall receive such fees as the Government may from time to time fix in that behalf. No specific scale of remuneration has till now been laid down. The Commissioner for Government Examinations has recommended in consultation with the President, Board of Examiners, the following scale of remuneration to the examiners:—

Subjects.	Remuneration for examining each candidate.			
	Oral.	Practical.	Fitting.	Total.
	Rs. a.	Rs. a.	Rs. a.	Rs. a.
Minimum fee for each Chief Examiner at President of the Board—Chief Examiners at Dowlaishwaram and Madras and the President of the Board at Madras at Rs. 10 each.				
Minimum fee for Examiner—Examiners at the three centres at Rs. 30 each.				
1 Engine driver	0 6	0 6	0 6	1 8
2 Engine-operator, second class	1 0	1 0	0 6	2 6
3 Engine-operator, first class	2 0	2 0	0 6	4 6
4 Headworks (water-works) fitter	0 8	..	0 8	1 0
5 Water-works pipe line fitter	0 6	..	0 6	1 0

The Government consider that the rates proposed above for Examiner are disproportionate to the rates of remuneration sanctioned for other practical examinations, and are pleased to allow Re. 1 per candidate for each subject in the group of subjects forming the syllabus subject to a minimum of Rs. 10 for each examination. It is observed from the syllabuses submitted by the Commissioner that for each examination there are a number of subjects prescribed. The fee proposed for the Chief Examiner at Dowlaishwaram and the President of the Board at Madras is approved.

No. 10, P.W., dated 5th January 1938.*—The following amendments will be incited to the rules published with Public Works Department Notification No. 110, dated 5th January 1938, at pages 863 to 870 of Part I of the *Fort St. George Gazette*, dated 11th June 1938, as subsequently amended —

No. 352.

The following draft of certain rules for the engagement of, and payment of fees to, pleaders by municipal councils or the executive authorities of municipalities which it is proposed to make in exercise of the powers conferred by sub-section (1) of section 309 of the Madras District Municipalities Act, 1920 (Madras Act V of 1920), and in supersession of the rules published with Local Self-Government Department Notification No. 6, dated the 22nd December 1936, at page 2 of Part I-A of the *Fort St. George Gazette*, dated the 5th January 1937, is hereby published, as required by clause (a) of section 304 of the said Act, for general information.

Notice is hereby given that the draft will be further proceeded with after six weeks from the date of publication of this notification and that any objection or suggestion which may be received with respect thereto before the expiry of the period aforesaid, will be considered by the Government of Madras.

DRAFT RULES.

1. Municipal Councils may pay fees to pleaders without outside sanction in accordance with the following scale:—

(i) In civil cases—the regulation fee.

(ii) In criminal cases—(a) Rs. 25 for each case which does not last for more than a day and (b) when a case lasts for more than one day, Rs. 25 for each day or part of a day during which the pleader has been engaged in court upon the case.

NOTE.—Municipal councils should clearly understand that the fee of Rs. 25 per day in criminal cases is the maximum fee allowable and is not to be given as a matter of course but that the fee should be fixed in each case with reference to the amount and difficulty of work involved.

2. Whenever a municipal council proposes to pay fees in a civil case exceeding the regulation fee but not exceeding Rs. 100 the sanction of the Collector of the district (hereinafter referred to as the Collector) shall be obtained.

3. With the sanction of the Collector fees may be paid up to Rs. 100—

(i) in each case for work done in examining records and for services rendered out of court provided that no suit or case is instituted or defence entered in continuation of such examination or of such services. Where such suit or case is instituted or defence entered, the provisions of rules 1 and 2 shall apply, and

(ii) in each case in which the subject-matter of the claim does not admit of valuation.

4. Where an application is made to the Collector under rule 2 or rule 3 for sanctioning any fee, he may, instead of granting or refusing his sanction, permit the payment of such smaller fee as he may think fit.

5. Nothing in rules 1 to 3 shall be deemed to restrict the amount payable in special cases, but when the limits fixed in the said rules are proposed to be exceeded, the sanction of the Inspector of Municipal Councils and Local Boards shall be obtained.

6. The provisions of rules 1 to 5 shall apply also in respect of payment of fees to pleaders by the executive authorities of municipalities, in cases where they are competent under the Madras District Municipalities Act, 1920, to obtain legal advice and assistance.

7. A municipal council may appoint a standing counsel on a fixed remuneration for a term not exceeding three years at a time for attending to all civil cases other than those referred to in rules 9 and 10 conducted in local courts, for giving legal advice and for rendering services out of court in connexion with the legal affairs of the municipality. The sanction of the Inspector of Municipal Councils and Local Boards shall be obtained for the rate of retaining fee payable to the standing counsel.

8. No person who has been appointed by a municipal council as its standing counsel on a fixed remuneration shall be retained in its service after he has attained the age of 65 years, or if he accepts employment as legal practitioner against the municipal council.

9. Where the Government and a municipal council are both parties in a civil case in which the correctness of the survey of lands vested in the municipal council is in question and the interests of both are identical, the municipal council shall engage on its behalf only the pleader appointed by the Collector on behalf of the Government. In such cases, the fee payable to the pleader shall be borne by the Government and the municipal council in the proportion of one-third and two-thirds respectively.

10. In civil cases other than those mentioned in rule 9 where the Government and a municipal council are both parties and their pleadings are similar the municipal council shall engage on its behalf only the pleader appointed by the Collector on behalf of the Government. In such cases, the fee payable to the pleader shall be borne by the Government and the municipal council in equal shares.

No. 353.

Madras, 15th March 1940.

Madras Commerce Report for the month of February 1940.

As compared with the corresponding month of the previous year, exports from the Province of Madras increased in value in February by 23·3 per cent, on the other hand imports declined in value by 1·91 per cent.

After the initial adjustment following the outbreak of war, there has been comparatively little movement in commodity prices, the process of control having operated to check any undue rise in values. Madras commodity markets were again rather featureless during February. Prices of cotton remained steady, arrivals of new crop finding a ready market. There was a good demand for tanned hides and values advanced a little above the control prices. Tanned goat and sheep skins were a little uncertain and business at the end of the month was rather slow. The groundnut market was inactive but there was little fluctuation in prices. As compared with the corresponding month of the previous year, exports of groundnut declined in value by 34·4 per cent. The tone of the paddy and rice market was firm and quotations tended to rise. The market for both copra and coconut oil was firm. The Calicut and Cochin coir yarn markets were weak owing to absence of European demand. Owing to heavy arrivals and moderate demand, the Calicut pepper market was easy throughout though it firmed up towards the end of the month as a result of heavy Calcutta purchases. The Calicut ginger market was steady owing to fair Indian and moderate European demand. The Madras sugar market was steady but closed quiet and dull. The demand for locally manufactured acids and chemicals was fair.

GROUNDNUT.

The groundnut market was inactive during the month and prices tended to sag a little owing to paucity of enquiries. The average wholesale prices of standard varieties at the main producing centres were as follows.—

Per candy of 784 *lb*

26th January 1940—Rs. 27.
29th February 1940—Rs 25-12-0 to Rs. 27.

PADDY AND RICE.

The tone of the market was firm and prices tended to rise towards the end of the month. The average wholesale prices of standard varieties at the main producing centres were as follows —

Indian paddy per bag of 170 *lb.*

26th January 1940—Rs. 4-10-0 to Rs. 5.
29th February 1940—Rs 5-4-0 to Rs. 5-8-0.

Indian rice per bag of 170 *lb.*

26th January 1940—Rs. 7 2-0 to Rs. 8-5-0.
29th February 1940—Rs 7-4-0 to Rs 7-15-0.

Rangoon rice—raw, broken A-1 per bag of 200 lb.

31st January 1940—Rs. 9-12-0, Madras.
29th February 1940—Rs. 9-12-0, Madras.

Calcutta rice (Nagarn) boiled per bag of 164 lb.

31st January 1940—Rs. 8-12-0, Madras.
29th February 1940—Rs. 9, Madras.

COCONUT PRODUCTS.

The Quilandy and Beypore yarn markets eased off and closed weak owing to lack of European, Gulf and Indian demand. Similarly due to a decline in export demand, the market for Calicut fine unsoaked yarns dropped towards the middle of the month and closed weak. The market for Kollam and Perpengady unsoaked yarns remained weak throughout with little business passing. The Cochin coir yarn market was lifeless in the absence of European demand, there was a small demand from Calcutta but for which prices would have been lower still. The market for copra and coconut oil was firm and towards the end of the month prices showed a rising tendency.

COTTON.

Tinnevellies.—There was no business done in old crop during the month and only a few hundred bales were carried forward to the new season. In new crop arrivals started earlier than usual at Virudhunagar. First transactions were conducted at about Rs. 270 per 784 lb. but prices quickly advanced to Rs. 280 as a result of eager buying by South Indian mills. There was no enquiry for export.

Cambodia.—In old crop, a few hundred bales of various grades were taken up again by South Indian mills and the carry forward to the new season was about 2,000 bales. In new crop, business commenced with the first arrivals and South Indian mills showed considerable eagerness to buy. Salem Cambodia, average quality, opened the season at about Rs. 305 and Tiruppur Cambodia, average quality, at about Rs. 325.

SUGAR.

The Madras market continued steady although the Cawnpore market weakened and secondhand prices dropped to below the Syndicate's basic rates. Pressure for sales at low rates by secondhand dealers of North Indian sugars continued. Owing to rumours of an increase in excise duty, the wholesale dealers began to purchase fairly large quantities during the second fortnight but this lead was not taken up by dealers in the interior markets where the off take continued normal. The speculative buying was also shortlived as some of the secondhand dealers in Northern India commenced selling with the risk of duty on their account. The arrivals were heavy and the market closed quiet and dull awaiting Central Budget announcement. The price of Nellikuppam sugar was Rs. 33-10-0 per bag of two cwt. at the end of February, the same rate as at the end of January. Similar conditions prevailed in the upcountry markets and prices did not improve owing to unsatisfactory demand.

HIDES AND SKINS.

Tanned hides.—There was a good demand throughout February and prices on the whole could be quoted ½d. to ¾d. above the control prices fixed in London early in November. The position regarding the control was reviewed on the 7th February, but no change took place as regards the schedule.

As regards cow calf, owing to large supplies and the falling off in the demand from London, prices declined appreciably and by the end of February, prime cow calf could be bought in the open market at 35½d. as against 39d. at the beginning of the month. Buff calf prices also depreciated by fully 2d. per lb. On the other hand, the demand for buff hides improved and prices recovered, by ½d. to ¾d. per lb. At one time stocks in the market were accumulating but owing to the improved demand, these were cleared.

Tanned goat and sheep skins.—The market conditions in February for both tanned goat and sheep skins reflected the result of the public auctions held at the end of January. Business during the month could hardly be described as good although the orders which came through were of a steady nature and no notable decrease in the prices of tanned goats, either lights or heavies was recorded, heavies declined possibly by one anna per lb. A noticeable feature was the enquiry for specified weights and selections which had rather dropped out since the beginning of the war. For example, whereas buyers would take a whole string of heavies and lights combined, they were inclined to ask for certain average weights and grades in order to avoid overloading themselves with any particularly unsaleable line.

Tanned sheep skins proved a little more difficult. Primes and the better middle class tannages continued to sell steadily, but common sorts experienced rather a sharp set-back especially at the end of the month. The result of the auctions which took place on the 28th of the month was rather as expected so that goat skins opened unchanged and sheep primes unchanged to 2d. down but common sheep were 4d. down. Business at the end of the month was rather slow with buyers quite hesitant.

Shipments of hides and skins during February were as follows:—

Goat.	Sheep.	Hides.	Cow calf.	Buffs.	Buff calf.
BALES.	BALES.	BALES.	BALES.	BALES.	BALES.
872	1,340	7,483	641	1,551	266

As compared with the corresponding month of the previous year, exports of tanned cow hides increased in value during February by 273 per cent, of tanned buff hides by 627·8 per cent, of tanned cow calf skins by 195·7 per cent, of tanned goat skins by 70·6 per cent and of tanned sheep skins by 82·5 per cent. Exports of leather-unwrought increased by 470·3 per cent.
